Create a cloud object storage service

Step:1

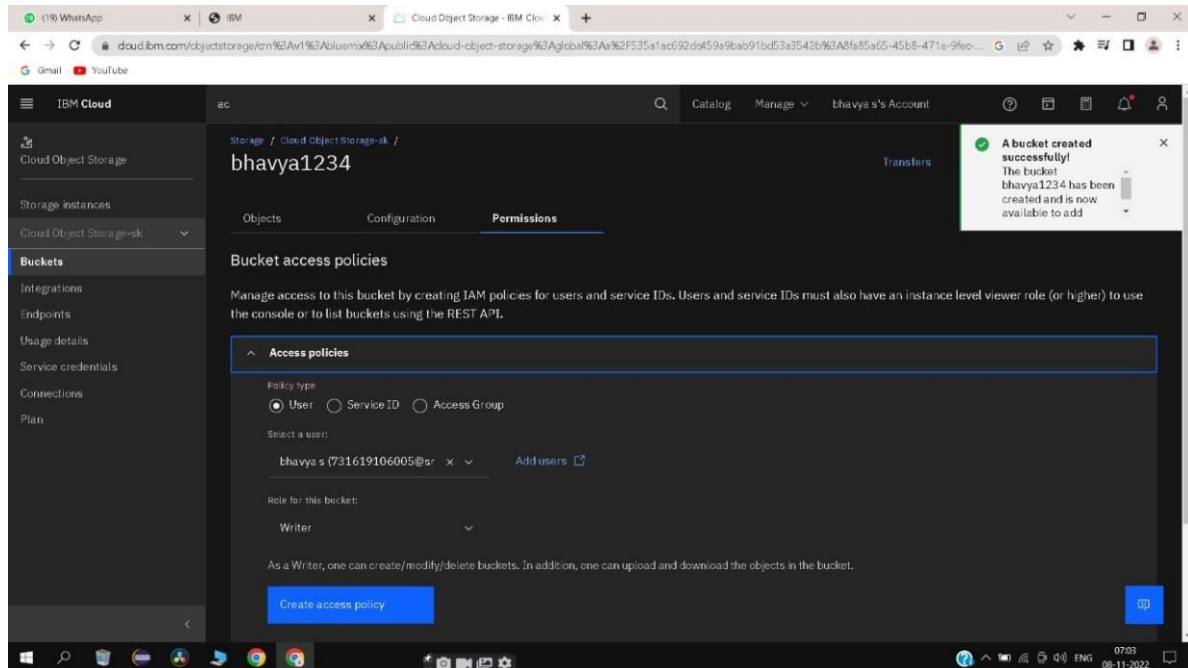

Step 2:

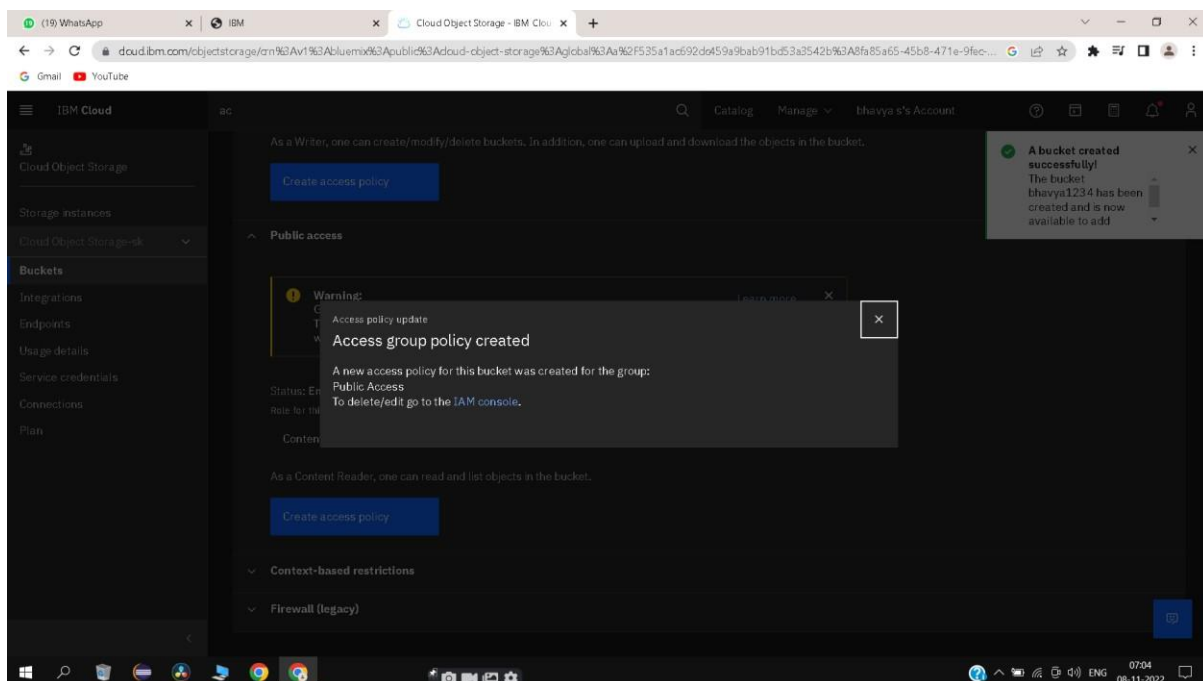

S

Step 3:

Step:4

Step :5

The screenshot displays the IBM Cloud console interface. The left sidebar shows the navigation menu with 'Service credentials' selected. The main content area is titled 'Service credentials' and includes a search bar and a table of credentials. A table with one entry, 'Service credentials-1', is shown with its details expanded in a code editor. A success notification in the top right corner states 'A bucket created successfully!'. The bottom of the image shows the Windows taskbar with the time 07:07 and date 06-11-2022.

Service credentials

You can generate a new set of credentials for cases where you want to manually connect an app or external consumer to an IBM Cloud service. [Learn more](#)

Search credentials...

Key name	Date created
Service credentials-1	2022-11-08 7:07 PM
